

Get Connected at volunteeriowa.org

Get Connected is a mobile-friendly online resource that matches individuals and groups with volunteer and service opportunities. It's free and easy for volunteers to find ways to make a difference in their community or for agencies to recruit volunteers for their programs.

Get started

Visit volunteeriowa.org or your local Volunteer Center's website, and then...

Volunteers Can

- Search for opportunities to be involved
- Create a profile and sign up for opportunities and events
- Indicate willingness to lend a hand during disasters*
- View the dollar impact of your service

Agencies and Volunteer Programs Can

- Post open volunteer positions
- Recruit volunteers for special events
- Track volunteers and hours
- Promote the dollar impact of your volunteer program

* When disaster strikes, we know Iowans want to help. However, "self deploying" to disasters can be dangerous and hinder the relief effort. Indicate your willingness to help in times of disaster by completing the optional disaster profile. In the event of a disaster, response officials will reach out with information about how you can help.
