Kathlyn Wagner has accepted a job as a Management Analyst in the U.S. Department of State. Kathlyn’s next steps will be relocating to Washington DC.

Kathlyn also worked on connecting with homeschool programs and educators in Iowa, introducing Volunteer Iowa’s opportunities to homeschool families. Kathlyn consistently reflected on the power of non-profits to mobilize communities of support and the importance of non-profits partnering with others to achieve impact. Kathlyn led the implementation of an updated Volunteer Iowa website and new tools for organizations to recruit, onboard and retain volunteers.

Kathlyn was an exceptional team member who exemplified the core values of Volunteer Iowa, demonstrating skill, commitment and passion for non-profit work. When she had a question, she was quick on the draw to find an answer, and when she needed support, she asked for it and was never afraid to say she didn’t know. Kathlyn was a true champion for the state of Iowa and will be deeply missed by all who knew her.

Thank you to Kathlyn Wagner for her Service to Volunteer Iowa.
